- Most locations have an easier or more challenging walk

WILD PLACES. WILDLIFE. WILD FUN

ABOUT US

We've been exploring Lutruwita/Tasmania since 1996 with our Advanced Eco-certified small group adventures. Active, multiday tours to Tasmania's premier National Parks and cultural attractions are our specialty. We're a local Tasmanian tour company based in Hobart, licensed and fully accredited.

We are a Hall of Fame recipient with Ecotourism Australia, representing over 20 years of Advanced eco-certified tourism. Our passions are Tasmania's *Wild Places*, *Wildlife* and *Wild Fun*, and our priority is to ensure that our guests learn what makes Tasmania special, such as its flora, fauna, Palawa and European history. Our expert guides provide authentic experiences. They are a highlight of our journeys, providing professional and personalised service. Every guest is made to feel welcome and part of their group, which brings together people with a diversity of nationalities, ages, and cultures.

The Famous Tour of Tasmania. Wild Places, Wildlife and Wild Fun!

Escape into Tasmania's pristine wilderness as we travel coast to coast and experience the best of the island over five days. This tour of Tasmania starts by heading to the wild West Coast for waterfalls, rainforests, and wildlife. You'll discover the startling changes of scenery in the alpine wilderness of Cradle Mountain, and the pristine sands of Tasmania's East Coast, at the Bay of Fires, Wineglass Bay, and Freycinet National Park. Eco-certified and active, this small group tour of Tasmania offers a diversity of outstanding short walks in National Parks to suit your fitness level.
